## HAWKINS SAYS HE GAINED 31 POUNDS

Joints Would Cramp So He  
Couldn't Raise Hand to  
Comb His Hair.

"I have actually gained thirty-  
one pounds on three bottles of Tan-  
lac, and I now feel like a new man  
in every way," was the remarkable  
statement made by J. T. Hawkins,  
living at 335 Johnson Place, Mem-  
phis.

"Rheumatism had me so tight in  
its grip for twelve months," con-  
tinued Mr. Hawkins, "that I was  
just up and down, and down more  
than up, and I couldn't strike a  
lick of work. I was racked with  
pain from head to foot all the time  
and no kind of medicine I took in-  
side, and nothing I rubbed on the  
outside, ever did me a particle of  
good, until I got this Tanlac. My  
joints would cramp me so I could  
hardly raise my hands to comb my  
head or stoop enough to tie my  
shoes. I hurt so bad and was so  
nervous I couldn't sleep; it would  
pain me to turn over in bed, and  
no matter what position I would  
take I suffered torture. I got in  
such a bad shape I couldn't eat  
anything scarcely and I suffered  
with indigestion all the time. I  
dwindled away to one-hundred and  
eight pounds and was nothing but  
skin and bones, and was forced to  
spend most of my time in bed.

"I decided to give Tanlac a trial,  
and it's a positive fact, I've gone  
up in weight from a hundred and  
eight to a hundred and thirty-nine  
pounds, an actual gain of thirty-one  
pounds, and all the rheumatic pains  
have left me. My joints don't  
cramp at all now, and I can use my  
arms and bend about and work  
with as much ease as I ever could  
before I had rheumatism at all. I  
can eat anything I want and as  
much as I wish, and nothing hurts  
me in the least. I can work all day  
every day and when night comes I  
can sleep like a child. Yes sir, I  
feel like a new person, and I must  
look it, too, for my friends who  
haven't seen me since I took Tan-  
lac actually don't know me when  
they meet up with me now. Tan-  
lac has certainly been a great bless-  
ing to me and I'm a living monu-  
ment of what it will do."

Tanlac is sold in Dickson exclu-  
sively by Matthews Drug Co.—adv.

Harry H. Hooper, of Dennison,  
Texas, arrived here Tuesday morn-  
ing for a short visit with relatives  
and friends. Mrs. Hooper and chil-  
dren have been here for several  
weeks the guests of her parents, Mr.  
and Mrs. H. L. Smith. Harry is  
employed as trainmaster on the M.  
K. & T. Ry., and is making good,  
as will be seen by the following  
clipping taken from the August  
number of the M. K. & T. Employ-  
ees Magazine: "Right now we want  
to tell you about our trainmaster,  
H. H. Hooper. He can ride more  
trains, get more trains over the road,  
shoot more 72 and 743 through Ray  
Yard and have less engine failures  
than most anybody we know of. He  
can stay up 48 hours and eat two  
meals, consisting of a glass of milk  
and doughnuts, and then never say  
anything about being tired. He  
stands about six feet one when he's  
standing, but he's on the jump most  
of the time. We're some proud of  
our Mr. Hoop, we are."

Miss Louisa Freeman, of Nash-  
ville, spent the week-end with her  
parents Mr. and Mrs. J. M. Freeman.
